What a wonderful year we have had at Singleton UMC. We have had some uplifting, joyous and times of celebrating. We have had times of sadness, struggle and difficulty. We have taken time to discern, but through it all we worked through each time together. God has asked us to do each with each other and knowing the Holy Spirit is with us. Thank you for being the body of Christ to each other, the community and the world.

As we enter this year let us continue what we are doing. Hopefully with the guidance and better understanding of the gifts and abilities God has given us and also knowing God can do the impossible, we can do it even better. Let us set our goals high as we continue being the body of Christ for the transformation of the world.

Donna and I would like to thank everyone for the generous gifts, cards and blessings during this Christmas season and throughout the year. We are truly blessed to serve Singleton UMC and this community.

- Pastor Calvin
